

<p>[氏名] Kazushige Taniguchi Born in Tokyo in 1955</p>	
<p>[現職] Hosei Business School of Innovation Management, Global MBA Program</p>	
<p>[学生へのメッセージ] In order to become a successful policy maker and/or a business leader, it is critical to understand the state of global economic development and policy issues such as sustainable development goals (climate change, global health and gender equality, etc.). This course will provide you with knowledge and methodology to identify issues and find possible policy options. You will learn cross-country analysis and cross-sectoral approach to make your proposal convincing and operational. You will also learn Japan's experiences/challenges and expected roles. If you are interested, I will review your CV and discuss how to improve it for your future career.</p>
